PETITION TO SUPPORT HR 814

We, the undersigned, respectfully request the passage of HR 814. We strongly urge your support for this bill to grant full U.S. citizenship to Amerasians who are already present in the United States from five countries (Korea, Vietnam, Thailand, Laos and Kampuchea). The Asian American community sincerely hopes to end the discrimination and stigma suffered by Amerasians and eagerly anticipate recognition of Amerasians as U.S. citizens.
